How do I order Pearson's Primary Digital Resources?

Pearson Australia offers digital resources across all primary subject areas, available to students and teachers throughout Australia.

To purchase a Pearson Places membership, or to purchase any of Pearson's other Primary digital products, just complete these two simple steps:

1. Indicate the number of students and teachers who will be accessing the product (under 'QTY' on the form overleaf)
2. Fill out the Your Details section and free fax or mail to Customer Care. Details overleaf

Once your form is processed, you will receive an email containing instructions on how to set up access for your students and teachers.

It's that simple.

All product subscriptions are valid for one year, from March 31 to March 31.
