How to order Pearson's Secondary Digital Resources?

Pearson brings you digital resources across all subject areas, available to students and teachers across Australia.

To access Pearson Secondary digital products, you need a **FREE** registration to our online portal, Pearson Places. Register at

www.pearsonplaces.com.au

To purchase a Pearson Places membership, or purchase any of Pearson's other digital products, just complete these two simple steps:

- 1.** Indicate the number of students and teachers that require access to the product under 'QTY' on the form overleaf
- 2.** Fill out the Your Details section and free fax or mail to Customer Care.

It's that simple.
